CALARCO APPOINTS WOMEN'S ADVISORY COMMISSION MEMBER

PATCHOGUE, N.Y. – Deputy Presiding Officer Rob Calarco recently appointed Blue Point resident, Daniene Byrne, to the Suffolk County Women's Advisory Commission. She replaces Patchogue resident Pamela Barr, a career librarian who recently retired.

Ms. Byrne is a recent graduate of the Masters of Public Policy Program at Stony Brook University and has a degree in Biochemistry from Boston College. She is a member of the Bayport-Blue Point School Board and is a former board of trustee member of the Bayport-Blue Point Public Library.

"I am honored to have Daniene serve as my appointee to the Women's Advisory Commission," said Deputy Presiding Officer Rob Calarco. "Daniene has a comprehensive understanding of issues that affect women in Suffolk County. She will serve the residents of the 7th Legislative District well."
